## Language Therapy Groups Winter/Spring Session 2012

### **Social Language Group**

This 9 week group offers children ages **8-11 years old** assistance with pertinent areas of social communication including; understanding self, feelings of self and others, communicating with and without words, reading between the lines and problem solving. These social skills will assist children in becoming more confident and competent communicators. Activities will focus around modeling, scripting, role playing, simulating natural environments, self evaluation and parent education. This group will include 8 treatment sessions, 1 parent group session and a "social smart" workbook.

**When: Every Wednesday 4:30-6:00 p.m.**  
February 1<sup>st</sup>- March 28<sup>th</sup>

### **Smart BUT Scattered**

This 10 week group is designed to foster the development of executive functioning skills in children ages **10-14 years old**. This group will target effective strategies and treatment interventions for planning, organization, time management, working memory, attention, task follow through and self monitoring/assessment. These skills will assist children in managing their behavior and improving social and academic performance at home and in school. This group will include

### **Parent's Hour**

Parent's hour is a parent's educational/support group for parent's of children with developmental difficulties. The goal of Parent's Hour is to bring awareness of developmental issues, promote early intervention, target parent concerns and provide the needed parental support and guidance. Each session will have a specific topic to be discussed followed by an open discussion. Parent's Hour is offered 2x/mth (1<sup>st</sup> and 3<sup>rd</sup> Monday). \*See Calendar for details.

**When: Monday 6:00-7:00 p.m.**  
January 23<sup>rd</sup>, 30<sup>th</sup>, February 6<sup>th</sup>, 27<sup>th</sup> and March 5<sup>th</sup>, 19<sup>th</sup>.
